

**TruthFellowship** LIVE  
A Church of the Living Word

---

## **Distinctives of Truth Fellowship Live**

Truth Fellowship Live is a refreshing, new ministry serving the Bismarck/Mandan community.

1. The church has a unique ministry consisting of a local congregation with an extended congregation of online worshipers participating in the live broadcast of our sermons (see [www.truthfellowshiplive.com](http://www.truthfellowshiplive.com)).
2. The church follows the theological tradition of Dallas Theological Seminary in Dallas, Texas and Moody Bible Institute in Chicago, Illinois.
3. This church is based on conducting ministries directed toward evangelizing the lost, training those who trust in Christ to do the work of the ministry, and developing Christ-centered leaders in the community.
4. The church has a strong emphasis on the careful and straightforward teaching of the Bible.
5. The church maintains a free grace outlook which means we strongly hold to the doctrine that salvation is by faith alone.
6. Evangelism, pastoral care, relational growth, and in-depth Bible study are generated through small groups.
7. The church teaching is based on a belief in a pretribulational rapture and premillennial tribulation.
